

As COVID--19 continues to create economic hardship for many small businesses, ComEd is reaching out to small businesses during their time of need through its Small Business Assistance Program. This program provides eligible small business customers with a one-time grant up to \$2,000 towards a past due balance. Eligible customers may also place a remaining balance into a payment plan of up to six months.

As of December 16, 2020, ComEd will be accepting applications for assistance that will be applied to a business' bill in 2021 if it meets all qualifications. To apply for the Small Business Assistance Program, please call 1-877-426-6331.
